

Altavilla Vicentina, 18th April 2019

**BURGO GROUP TECHNICAL PARTNER FOR ALBRECHT DÜRER. LA COLLEZIONE REMONDINI**

**Burgo Group**, which has always had a leading role in the world of publishing and communication on paper, supports the **Bassano del Grappa Civic Museums** project dedicated to the engraving treasure of Albrecht Dürer, confirming the growing commitment of the Group to culture, ideas and their dissemination.

**Albrecht Dürer. The Remondini collection** is the first complete exhibition of the 214 engravings, 123 woodcuts and 91 calcographs, by Albrecht Dürer (1471-1528); a collection that is classified as the most important and complete in the world for its breadth and quality, together with the one stored at the Albertina Museum in Vienna.

The exhibition, curated by Chiara Casarin in collaboration with Roberto Dalle Nogare, includes a catalog with texts by Chiara Casarin, Bernard Aikema, Giovanni Maria Fara, Elena Filippi and Andrea Polati and a video showing Albrecht Dürer's studio and his engraving technique.

The collaboration of Burgo Group with **Marsilio Editori** for the realization of the prestigious catalog *Albrecht Dürer. The Remondini collection* embodies the ideal link between paper, art, culture and beauty.

The exhibition is hosted from April 24th to September 30th 2019 in Palazzo Sturm, the location of the **Remondini Museum of Engraving** which preserves and presents Remondini's refined editions and popular prints created between the seventeenth and eighteenth centuries.

The catalogue is printed on Burgo coated paper **R4 NEXT BULKY 1.1** da **150 g/m<sup>2</sup>** (intenal pages) e **PRISMA UP PACK** da **300 g/m<sup>2</sup>** (cover).

**Burgo Group**

Burgo Group is one of Europe's leading producers of communication and specialty paper. The Group is configured as a true 'system', developed around the world of paper: from the production, marketing, recycling of paper and the processing of forestry products, as well as factoring and energy. A complete range of high quality products, an attitude to the research and development of innovative solutions, great attention paid to the environment: this is how Burgo Group presents itself as the benchmark partner in the communication, press and printing and converting sectors, thanks to a business vision that fits into in a wider system. It is not by chance that Burgo Group makes sustainable development and the principles of the circular economy a core part of the business which is present in all processes, from purchase and use of resources, to the return of waste water, as far as the optimisation and re-use of discarded material for energy generation
